

Testing User Stories

As a potential fan I want to know more about the band and its members so that I can expand my knowledge of the band.

1. Go to the **Band** page
2. Find general information about each band member within their relevant card
 - a. Click the 'Find out more...' link within each card to load up that band member's Wikipedia page in a new tab
3. Find general information about the band in the **Band History** section
 - a. Click the 'Find out more...' link at the bottom of the section to load up the band's Wikipedia page in a new tab

As the band manager I want fans and event organisers to be able to book the band to perform at events such as weddings and Christmas parties so that the band can connect more with their fans.

1. Users can go to the **Contact** page
2. Fill out the form
3. Click the 'Submit' button
4. Receive an email to confirm the booking (this feature is currently unavailable)

As the band members we want to know when and where event organisers and fans have booked the band to perform so that we can prepare for our performances and tailor them to the type of audience.

1. The information submitted from the **Contact** page will be stored in a back-end database (this feature is currently unavailable)

As a lifelong fan I want to listen to the band's songs for entertainment and subscribe to their newsletter so that I'll be kept up to date when they release new material.

1. Go to the **Music** page
2. Click the tracks in the Spotify iframes to play a 30 second clip on the relevant track
 - a. Click the link that appears to be redirected to Spotify
 - b. Sign in and listen to the remainder of the tracks
3. Click any of the four audio tracks in the **Top Tracks** section to play the full track
4. Click the video in the **Top Tracks** section to play the full video
5. Click the 'Sign Up!' button sign up to the latest news
 - a. Complete the modal form
 - b. Click the 'Submit' button
 - c. Receive an email containing the newsletter (this feature is currently unavailable)

As a wedding planner I want to contact the band so that I can book them to perform at my clients' wedding.

1. Go to the **Contact** page
2. Fill out the form
3. Check the band are available on the desired date by viewing the date picker (this feature is currently unavailable)
4. Click the 'Submit' button
5. Receive an email to confirm the booking (this feature is currently unavailable)

As a current fan I want to visit the band's website so that I can buy tickets for their concerts.

1. Go to the ***Tickets*** page
2. Click the 'Book Now' for the desired concert
3. Fill out the form
4. Click the 'Submit' button
5. Receive an email containing instructions on how to finalise the booking (this feature is currently unavailable)

As an event organiser I want to know more about the band members and their music so that I can decide whether to book them for an upcoming Christmas party.

1. Go to the ***Band*** page
2. Find general information about each band member within their relevant card
 - a. Click the 'Find out more...' link within each card to load up that band member's Wikipedia page in a new tab
3. Find general information about the band in the ***Band History*** section
 - a. Click the 'Find out more...' link at the bottom of the section to load the band's Wikipedia page in a new tab
4. Go to the ***Music*** page
5. See the band's discography timeline
 - a. Click on each album name to load the relevant album's Wikipedia page in a new tab
6. Click the tracks in the Spotify iframes to play a 30 second clip on the relevant track
 - a. Click the link that appears to be redirected to Spotify
 - b. Sign in and listen to the remainder of the tracks
7. Click any of the four audio tracks in the ***Top Tracks*** section to play the full track
8. Click the video in the ***Top Tracks*** section to play the full video
9. Click the 'Sign Up!' button sign up to the latest news
 - a. Complete the modal form
 - b. Click the 'Submit' button
 - c. Receive an email containing the newsletter (this feature is currently unavailable)
10. Click the social media links to view the band's Facebook, Twitter and Youtube pages in new browser tabs

As a current fan I want to sign up to the newsletter so that I can keep up to date with the latest news and tour dates.

1. Click the 'Sign Up!' button on any page
 - a. Complete the modal form
 - b. Click the 'Submit' button
 - c. Receive an email containing the newsletter (this feature is currently unavailable)

As a potential fan I want to listen to the band's music and visit their social media profiles all from one place so that I can learn more about them and don't have to spend time searching for each of their social media profiles.

1. Go to the ***Music*** page
2. Click the tracks in the Spotify iframes to play a 30 second clip on the relevant track
 - a. Click the link that appears to be redirected to Spotify
 - b. Sign in and listen to the remainder of the tracks
3. Click any of the four audio tracks in the ***Top Tracks*** section to play the full track

4. Click the video in the *Top Tracks* section to play the full video
5. Click the social media links on any page to view the band's Facebook, Twitter and Youtube pages in new browser tabs
